minimum spends

Circus Bar requires a minimum drink spend for all events. These minimum spends are negotiable depending on the time and date of your function, as well as the number of guests in attendance.

The (negotiable) minimum spend is \$2500 (for either the Main Bar, Balcony or entire venue.)

The minimum spend can be implemented in a number of ways – either as a pre arranged tab at the bar (recommended), pre purchased drink cards for your guests, or at a per drink rate.

bar tab

Tabs are very common for functions and usually the least complicated option. We would keep track of the drink costs and alert you when the tab has reached its limit.

drink cards

Purchased on arrival, Circus Bar would issue you with the drink cards equalling the minimum spend. You are then free to distribute these at your discretion. Drink cards are authorized for the night of your event only.

per drink

This option is best when asking your guests to purchase their own drinks. We would alert you once the minimum spend has been reached. Alternatively, if the total at the end of your event falls short of the agreed minimum spend, we will ask you to pay the difference prior to leaving the premises.

guest lists

functions: A door fee will not be charged for any function guest entering the venue before 11pm. Any function guest who enters the venue after it has opened to the public (11pm) a discounted door charge is required.

door lists: If you have a small budget and would like Circus to cater for a group of your friends but do not require a private space then a door list is probably the best option for you.

Circus Bar can arrange a list under your name which your guests are entitled to use for discounted entry.

It is important to note that we can never 100% guarantee entry. All guests must meet standard venue requirements, present appropriate identification and not be intoxicated on arrival.

entertainment

music: Circus Bar boasts 2 separate DJ stations, for your convenience. Main Bar and Balcony areas are able to be separated.

You are welcome to bring your own DJ at no extra costs, or ask your Circus Bar event planner to recommend some of our in house DJs (for an additional fee).

Circus Bar also has iPod facilities available.
